Do you have a passion for plants?

We are currently looking for a Plant Area Supervisor at Findon Vale Garden Centre near Worthing

If you have retail experience coupled with horticulture and plant knowledge we want you on our team!

The role will involve supervising a small team of staff, plant maintenance and assisting the plant manager with ordering and stock control for the plant area.

Delivering high standards in all areas of customer sales and also plant management duties in the absence of the plant manager.

If you take pride in offering exceptional customer service, love sharing your plant knowledge, and enjoy working collaboratively in a team environment, we would love to hear from you!

You should be able to:

- Be an enthusiastic member of the Garden Centre team.
- Make all customers feel welcome as they explore our extensive range of plants.
- Help and assist customers in finding the perfect plants to make their outside spaces greener.
- Perform stock replenishment while utilizing plants to create impactful and eye-catching displays.
- Maintain a clean and tidy working environment, ensuring our plant area looks inviting.

Additional Information:

- Company pension
- Employee discount
- Free On-site parking

Full Time - Permanent Position

Monday - Friday (including alternate weekends)

Wage - Up to £13.00 per hour
